 Wayanad, Kerala-673122

PROFILE

A junior-year engineering student with a passion for turning ideas into digital reality. Whether it's crafting clean, responsive web designs or diving into AI/ML projects, I love blending creativity with logic. I believe tech should be exciting, so I make sure to keep the fun alive while building things that matter. Looking to grow, collaborate, and create work that's as impactful as it is professional.

WORK EXPERIENCE

- JUNE 2025 - JULY 2025

CODSOFT

WEB-DEVELOPMENT INTERN

 - Created basic web pages like personal portfolio, e-commerce landing page and a calculator using HTML, CSS and JavaScript
- JUNE 2024 - JULY 2024
